A message from Anne:
Readers and Special Ministers of Communion: If you are not on e-mail, could you please contact me to discuss your availability for duty as we gradually get back to normal. There have been many changes over the last 18 months and we have lost some dedicated volunteers. We would really welcome some new people to help with these roles. This would make it easier for our remaining volunteers.
Altar Servers? Is anybody ready to come back?

Nugent: Books, Jigsaws, Clothes etc
Nugent have resumed their collections of donations to their charity shop. This will include DVDs, CDs and vinyl records, together with books in good condition and jigsaws with all the pieces. These items can be dropped off in the box provided at 1 Halltine Close, L23 6XX. As previously, good quality clothes (only women's or men's and marked separately on the bags), excluding underwear (unless brand new) and any stained/torn/excessively worn items, can be taken to St Helen's, when the church is open, and placed inside the porch. Many thanks for your support.

WATERLOO FOOD BANK: JOINT UPDATE FROM ST HELEN'S AND ST JOSEPH'S
We've had a further 53 bags and £670 delivered over last 2 weeks. There is still an urgent need for toiletry items for both women and men, particularly men's, such as disposable razors, shaving cream, deodorants, shampoo/shower gel and flannels/sponges. All such donations will be greatly appreciated. Also, cat/dog food. Value brands are always acceptable. Donations can be left at church or at 39 Ilford Avenue, L23 7YE or 1 Halltine Close, L23 6XX. Cash in envelopes, marked Food Bank, can be posted through either letter box. Many thanks

CAFOD (St Helen's) *pray-fast-give*
Whilst we have our own concerns about the COVID pandemic, CAFOD has been helping in developing countries. 845 Health workers have been trained
1800 volunteers have been trained to assist the most vulnerable
6000 health workers have been provided with personal protective equipment
10,00 households have been given food aid to enable them to self-isolate
500,000 people now have the means to sanitise
6,500,000 been given information about keeping safe. These are impressive numbers and CAFOD could not have done this without your help but they are a drop in the ocean. It is responses from wealthy western governments which will make the difference. Please remind your political representatives of this if you can.
Thank you for your support, £433 in the past fortnight.
